

NOMINATE DESERVING PERSONS FOR UNIVERSITY OF TENNESSEE CITATION AWARDS

You can help the University recognize deserving students, faculty and staff members, alumni, or friends of the campus by nominating persons of extraordinary accomplishment for awards. Truly extraordinary service or accomplishment is the standard of selection for University of Tennessee Citations, and there is no limit on the number of persons who may be cited. Note: Undergraduate students nominated for the various citation categories should have senior standing.

Nomination Process: To nominate an individual or organization for one of the awards, please complete the nominating statement (on reverse side), attach a resume (faculty, staff, student nominations) and a detailed description of the individual or organizations accomplishments to assure the nomination receives proper consideration. A copy of a person's resume alone is not a sufficient nomination, although it can give helpful information to a selection committee.
