*This schedule does not reflect the rates for the Flexible Schedule J.D. Program. Students enrolled in this program pay tuition by the credit hour rather than at a flat rate. Specifically, Flexible Schedule students would pay the prevailing per-credit-hour rate equal to that paid by full-time students if full-time students paid on a per-credit-hour-basis (based on 32 credit hours per year). For the current academic year, this amount is \$522 per credit hour (excluding fees).*
